

John: He Walked Among Us

John 20:19-23

Fear, isolation and lockdown

Peace be with you:

- Death in the past

- Presence in the present

- Perfection in the future

Peace goes out from you:

- Jesus sends them

- Jesus inspires them

- Jesus authorises them

Taking the truth deeper:

Take some time to think what life would be like if you didn't know this peace with and from God. How would this moment be different for you?

How can knowing this peace make you act differently in this moment? How can you play your part in peace going out?
