

1 Samuel 1.1-2.12

Human weakness exposed

God's salvation has hopeless beginnings

God's salvation is for humble people

...and not for the proud

BECAUSE...he will exalt the power of his King

Taking the truth deeper:

How does it grow your view of God to see that he uses human weakness to achieve his purposes? What is great about that? How does it help you to know Christ more deeply? How is God producing humility in you at this moment? Why is that good? How does it make you depend on Christ more?
