

Colossians 3:5-14

Become who you are:

Put to death the old self (vv5-11)

...in the form of sexual idolatry (vv5-6)

...in the form of selfish attitudes (vv7-11)

Put on your new self (vv12-14)

...especially love (v14)

Taking the truth deeper

- 1) Share something that particularly struck you from this passage.
- 2) How does being united to Christ give us confidence that we can put to death the old self?
- 3) Think of some practical opportunities, in the next week, where you can put on your new self.
