Philippians: Join Together

Philippians 2:1-11

Preacher: Jamie Child

*The **mindset** of where you're from*

Have this mindset: The love that serves (2:1-4)

The mindset of Christ: The servant who loved (2:5-12)

Taking the truth deeper

What do you think it will look like for you to consider others above yourself consistently?

What do you think it will be like to do that as a church family right now?

How does Christ's mindset help you? When you think about what he did how does it make you feel?
