

## **Sermon Notes**

### **Giving Sunday**

Hosea 11:12-12:6

Preacher: Jamie Child

---

*What would make God say, "enough is enough"?*

You always loved Lying - But I graciously met with you (11:12-12:6)

You always trusted idols - But I graciously gave to you (12:7-13:8)

And now you face the death - And no-one can help you (13:9-16)

....But God is gracious

---

### **Taking the truth deeper**

How do you feel about God's Grace to you this morning? How are you responding to it?

How can you help yourself if you think you are growing indifferent to God's grace?
