*To pray or not to pray...?*

### **The Righteous One (v1-5)**

### **Refuge and rescue for the righteous (v6-15)**

---

What does being given Jesus' righteousness mean for us? How does seeing Jesus as the righteous one affect our response to him?

How does God's character give us confidence in him?

What will it look like for us to find our refuge and satisfaction in God? How can we encourage and support each other in doing this?
