### Taking the truth deeper

1. Where does it hurt me the most to look like a fool for God?

-Where am I living, or where am I most tempted to live, my life by worldly wisdom, not God's wisdom?

- [If you're a regular at a church] How does this affect me in church life?

2. How should / would / could the reality of future resurrection life help me to live by God's wisdom now?
