Daniel: Dominion

Daniel 10-12 (page 748-750)

Preacher: Jamie Child

“He is no fool who gives what he cannot keep to gain what he cannot lose”

A future rise and fall of Kings ... who will hurt God's people (10-11)

A future resurrection from the dead ... that will vindicate God's people (12)

Taking the truth deeper

Being honest with yourself, where would you naturally draw the line when it comes to being willing to stand for Jesus when things get hostile?

How does knowing that there is a future resurrection and an eternal life that is comparable to shining like a star help you redraw that line?
