## **Galatians: Free**

Galatians 3:15-29

Preacher: Ally Henderson

---

### **There is no Plan B**

**- God's promise through Christ came before the Law (vv15-18)**

**- The Law paved the way for the promise to be fulfilled in Christ (vv19-25)**

**- In Christ we can all be heirs of the promise (vv26-29)**

---

### **Taking the truth deeper**

How does knowing that the gospel is not God's Plan B help us think differently about the Old Testament?

How does our status as sons and heirs of God change how we see ourselves? And our church family?

Spend some time praying and rejoicing that we are God's children.
